

Oldenburger Interior GmbH & Co. KG manufactures furnishings for exclusive living spaces in yacht, store and aircraft construction in its three divisions. From the construction of elaborate designs, through manufacturing, to worldwide "turnkey" installation on site, we as a company offer all the building blocks for an efficient project process and a fascinating result.

We are constantly working to add new talent to our competent and highly motivated team. We offer graduates promising perspectives in our company. In addition, we offer interesting internships or practical semesters and support your thesis.

Are you studying wood technology, interior design or something similar and are you looking for a suitable practice partner? But you haven't found a suitable position yet?
